Miami, FL

Dear William,

Please accept this letter as tendering my resignation to the Town of Davie Fire Pension Board.

As much as I would like to continue, I find I have been unable to attend several of the meetings, due to my commitment to my accounting practice and personal attention to my family.

I regret having to make this choice, however, it will allow you to seek that candidate whom will be able to give more time to this position.

In addition, I want to thank all members of the Board for allowing me to serve the Firemen, because they were always my main concern.

Sincerely,

Lee M. Weissman, C.P.A.

Town of Davie

Dear Mr. Rawls:

The Pension Board has asked that I correspond with you regarding their concern at the lack of attendance by the Town's appointee, Lee Weissman.

The Board in meeting quarterly has to address a number of important issues each meeting and would like to have the full Board in attendance and the benefit of each Board member's input in the decision making process on these various topics.

The Board in no way is injecting itself in the Town's appointment process or any other facet which exceeds the Board's operating area, however, they did want to express their concern in this matter to you.

Very truly yours,

Joseph E. Mastrangelo
